PARENT RESOURCES FROM SAFE ON SOCIAL CYBERSAFETY PRESENTATION

A new portal page in SEQTA has been created called 'Cyber Safety Resources for Parents' This is not pretty yet but it contains many of the resources Paul Litherland spoke about at his presentation, especially the contracts for use with your children.

This page will be improved over time but for now I just wanted to give you access to them. To access this page go to your SEQTA Engage app and then in PORTALS in the menu click on the Cyber Safety Resources for Parents label.

CONTAINERS FOR CHANGE

Thanks to all families who have contributed to our Containers for Change initiative. I would ask that you please **remove all lids** from plastic bottles and please **do not include** empty plain milk containers into the Containers for Change bins.

It would also be wonderful if flavoured containers which can be included in the Containers for Change bins could be rinsed as the smell is not pleasant as we may not get to emptying the bin for House Points over a number of weeks.

Your assistance with this is greatly appreciated.

GARDEN CENTRE MAINTENANCE

If you would like to help us maintain our garden centres through weeding etc, please send me an email (peter.hazebroek@cewa.edu.au) and I can show you what needs to be done. It is an ongoing issue in all garden centres and your help would be greatly appreciated.

Mr Hazebroek
Assistant Principal
