### ABORIGINAL GARDEN CENTRE MAINTENANCE

This year we have a focus on rejuvenating the Aboriginal Garden Centre. We are searching the help of an Indigenous person to assist us in identifying the current 'bush tucker' plants we have and providing us with some direction on the best inclusions to make this amore interactive place in the school for our school community. If you know of anyone please direct them to me via email - [peter.hazebroek@cewa.edu.au](mailto:peter.hazebroek@cewa.edu.au)

### CYBER SAFETY – eSAFETY COMMISSIONER

The eSafety Commissioner is a website which has a range of resources available for families to help understand the complex nature of eSafety. Click on the link <https://www.esafety.gov.au/whats-on/online-safety> to view short informational videos but also to have access to other links and resources.

### SACRAMENT OF 1ST HOLY COMMUNION

Next term we start to prepare for the Sacrament of 1st Holy Communion. This will commence with the Parent and Child Meeting at 5pm on Tuesday 30th April. This meeting will commence with a short mass, followed by a specific information session on the actual sacrament itself. The meeting will only last one hour and is a requirement to attend for both parents and students.

### GRANDPARENTS MORNING

On Friday 26 April, we will be holding a Grandparents morning at the school. This will include an opportunity to visit classrooms, a whole school liturgical celebration to thank God for the gift of our grandparents as well as a morning tea. Further details will come out early in Term 2 but this will commence from the start of the day and conclude before 11am.
